This Royal Yachting Association Day Skipper shorebased course will run in Howth Yacht Club over 15 Tuesday evenings from 7:00pm to 10:00pm each evening starting on October the 20th and is planned to finish in the middle of February 2027.

The Day Skipper is the first of the RYA's three formal shorebased cruising certificate courses and is recommended for skippers and crew who would like to gain the confidence and essential knowledge required to undertake coastal passages.

No previous formal knowledge of navigation or cruising experience is required.

This highly regarded, rewarding and enjoyable course is presented by HYC member David Gerrard of *Sea~Craft*.

The evening sessions are live, face to face, in a warm and welcoming sailing club atmosphere - the only fun way to learn! This course is intended for all types of boating, sail and power, and is open to both members and non-members.

The course fee is €595 including the full RYA course pack.

If you would like more information call David at 01 286 3362 or email: david@seacraft.ie or visit: www.seacraft.ie
